

IC Net Limited

Company profile:

IC Net Limited is a multidisciplinary consulting firm committed to helping people stand on their own feet by offering solutions in Rural and Urban Infrastructure Development, Public Sector Governance, Monitoring and Evaluation, Environment, Fisheries, Health, Education, and Training. IC Net is ISO27001-certified and is committed to quality, IT security, and transparency. Since its founding in 1993, IC Net has completed more than 400 projects and carried out short-term technical services throughout the developing world. At any moment, IC Net's experts carry out more than 25 projects around the world. Our clients include Japan International Cooperation Agency (JICA), Ministry of Foreign Affairs in Japan, World Bank, Asian Development Bank, and UN organizations. Currently IC Net employs around 100 professionals and 25 core administrative staff at the headquarters, and several locally-employed project staff members.
